
This update is sent out between issues of our newsletter “The Midwest Expositor” to our faithful supporters. Without you this ministry could not educate Christians about the false teachings of Mormonism, nor begin the process of bringing truth to the Mormon people! “Am I therefore become your enemy, because I tell you the truth?” Galatians 4:16

Proud to Serve the Country, Now Happy to be Back Serving the Lord, in the Good Ol’ US of A!!

Having just completed an overseas deployment with the USS JOHN F KENNEDY (CV-67), JFK, or as we call her “BIG JOHN”, I am happy to be back home in the good ol’ US of A. It is a privilege to serve our great nation wherever I am called to do so, but Helen and I are excited to be able to again serve the Lord together here in the USA.

I am still stationed onboard “BIG JOHN” who is homeported in Mayport, Florida, a suburb of Jacksonville, home of this year’s SUPERBOWL. As many of you have heard in the news lately, BIG JOHN has been identified in this year’s budget as a possible cost savings for the Pentagon. BIG JOHN was scheduled to go to Portsmouth Naval Shipyard in Norfolk, Virginia in June 2005 for a 16 month complex overhaul. With the recent announcement that BIG JOHN may be decommissioned to save money, we are standing anxiously by awaiting Congressional direction on JFK’s near future.

Helen and my future is now just as up in the air as BIG JOHN’s. There are three possibilities: (1) If BIG JOHN goes to overhaul as planned in Norfolk, Virginia, I may stay onboard and go with her, retiring onboard JFK in June 2006; (2) If BIG JOHN is decommissioned, depending on how long that process is, and when BIG JOHN will begin that process and where, I will stay aboard and be part of the Decommissioning Crew, and retire onboard JFK or some other temporary command in June 2006; or (3) I may be transferred to San Diego to work for COMMANDER NAVAL AIR FORCES COMMAND, and retire from there in June 2006.

The common thread as you can see is that I will retire from the Navy in June 2006 and Helen and I will then go into Mission Field full time as Missionaries to Mormons and Educational Missionaries to Christianity.

We often hear now in Missionary discussions about “Unreached People Groups.” Helen and I fully support those Missionaries that have accepted the Lord’s call and have departed to the four corners of the earth to reach those groups of people that are “Unreached People Groups.” Would you consider that **Mormons are an “Unreached People Group”!** Why would I make such a bold statement? Well, Mormons live in a very closed society, even though they may be your next door neighbors. Mormons speak a different language. They use Christian terms that you and I are familiar with; however, the definition of those terms is completely different from the Christian dictionary. Mormons believe they are members of the “only true Church on the face of the earth”. Because of that, they feel they have no reason to listen to a Christian who attempts to witness to them; and they therefore, tend to ignore Christianity as a whole, believing it to be in a “fallen state.”

Helen and I are Missionaries to this “Unreached People Group!” We speak the language, MORMONEZE! Mormonism is an extremely complicated religious belief system. We know their history, customs and beliefs, and are well versed in the diversionary tactics that are usually employed when engaged in a doctrinal discussion.

Please consider us as Missionaries and this Ministry as an outreach to this “Unreached People Group.”

News about our TV Show, “Truth Outreach”

On January 13th we flew to Moline, Illinois and drove down to WTJR, Believer’s Broadcasting, in Quincy, Illinois and filmed 12 new episodes of our half hour program. It was such a blessing to be back on the set and filming new shows. WOW – THE LORD IS GOOD!!

We thank all of you who have been faithful viewers and waited patiently through the re-runs of our 60 filmed programs. With just a few minor glitches, mostly knocking the rust off from

not having filmed any programs in over a year, the 12 new shows came off without a hitch. Right after we completed the last program, Helen filmed a half hour segment of "A Woman's Joy" with Donette Douglas. The very next day Helen and I were asked to be the guests of Mike Wortman on "Victory in Jesus," a one hour interview type of format. We were truly blessed and the Lord opened many doors of exposure so we could get reacquainted with the TV audience. WHILE ON "VICTORY IN JESUS" MIKE WORTMAN ANNOUNCED THAT WE WILL BE MOVING TO A NEW ONE HOUR LONG PROGRAM, VICE THE HALF HOUR LONG FORMAT WE CURRENTLY HAVE – PRAISE THE LORD!!! It is simply remarkable that the Lord provided the opportunity for us to have a Christian TV show, where we have the privilege weekly to reach out to Mormons and show them how their religion is NOT what they have been led to believe, as well as having the ability to educate Christians about the false teachings of Mormonism. WTJR's broadcast footprint covers Nauvoo. This makes "Truth Outreach" of great strategic importance in our ability to reach this "Unreached People Group!"

All of our past shows have been copied from tape to DVD; as will all future shows. We are going to put all of these programs on our website. This will take a lot of digital storage and will cost considerably more than it does now to run our website. WE NEED YOUR HELP TO DO THIS!! Not only do we need funds to cover the conversion from tape to DVD, but until Rocky retires from the Navy, we will have to travel from wherever we are (Jacksonville,

Norfolk, or San Diego) to film the shows. Our expenses to film these shows were almost \$1200.00. Folks, it is well worth the cost. There is no other Mormon Ministry that has been blessed with this kind of opportunity. Face it, the world is becoming DIGITAL. We are a VIDEO generation. Having those programs available to be viewed via the internet is what God intended for the internet to be used for, vice the filth that also exists on that medium. **PLEASE, PLEASE, PLEASE, CONSIDER PARTNERING WITH US TO BATHE THIS MINISTRY IN PRAYER.** This opportunity is to AWESOME! The evil one will not take this lying down. We are going to be attacked – we know it's coming; **HELP US PUT ON THE FULL ARMOR OF GOD!! WE ALSO NEED YOUR FINANCIAL SUPPORT TO MAKE THIS HAPPEN. IF YOU'VE NEVER SUPPORTED MISSIONS BEFORE, PLEASE PRAYERFULLY CONSIDER MORMON MISSIONS MIDWEST OUTREACH, AS YOUR MISSIONARIES TO THE "UNREACHED PEOPLE GROUP" CALLED MORMONS!!** In His Service and Yours, Rocky Hulse, President MMMO.
